

**Concrete Laborer:** We are looking for an experienced concrete laborer to work full-time. Concrete laborers assist in all phases of concrete projects including site prep, setting forms, tying rebar, pouring, finishing, and site clean up. Projects you may work on include sidewalks, curb and gutter, walls, and foundations. Job duties include:

- Loading and unloading materials and equipment
- Assist in layout, measuring, forming, and tying rebar
- Move materials and forms, demolition, mucking concrete, finishing concrete, and site cleanup
- Operate hand and power tools of all types as well as operate equipment
- Assist other craft workers and perform other duties as assigned

Qualified applicants should have at least 6 months concrete experience and basic construction tools. Experience finishing is a plus. You must also have reliable transportation to get to and from work. A driver's license is preferred.

This position will work 40 – 50 hours Monday through Friday, occasionally work is required on Saturdays. You must be reliable, safety conscious, able to take direction and work with others. This position requires the ability to climb, kneel, stoop, crouch, balance, squat, and tolerate heights as well as exert heavy physical effort. The typical workday for a concrete laborer is physical in nature. You must be able to lift at least 50 lbs. The work environment is typically outside on construction sites and may require work in confined spaces.

Compensation is based on experience and is expected to be between \$16.50 and \$20 per hour. A full benefits package is offered, including:

- Paid time off
- Paid holidays
- Medical insurance
- Vision insurance
- Dental insurance
- Supplemental policies like accident, disability, and life insurance
- Retirement plan with company match

Different waiting periods apply. Bonuses are discretionary.

**All offers are contingent upon successful completion of a pre-employment background check and drug screen for all federally illegal substances. Equal Opportunity Employer.**
