

Join our growing team! We are looking for a full-time **garage door installer/service technician** to start immediately.

As a garage door installer/service technician, you will install garage doors, operators and related components for customers at their home and businesses. You'll respond to service calls for troubleshooting and repair. You will assist with loading, organizing, and job site clean-up. You must display professionalism and respect at all times.

Prior experience with garage door installations and servicing is **strongly** preferred!

Qualified applicants must:

- Have previous construction or mechanical work experience or related schooling
- Have basic construction tools to complete install and repair jobs
- Have a reliable method of getting to and from work
- Have a valid driver's license and clean driving record so you can drive a company vehicle
- Be able to lift 50 lbs.
- Provide professional work references

You may be asked to work on another crew (like concrete, framing, or metal building crew) if not needed to install/repair garage doors.

The work schedule is Monday through Friday with possible Saturdays required, 40 + hours per week. This position required the ability to climb, kneel, stoop, crouch, balance, squat, and tolerate heights as well as exert heavy physical effort. Work is typically outside and may require work in confined spaces.

Compensation depends on experience and is expected to be between \$16.50 and \$19 per hour. A full benefits package is offered including: paid time off; paid holidays; insurance offered after a short waiting period; and a retirement plan with a company match after one year. Bonuses are discretionary.

**Post Date:** 1/6/2024

**Expected Close Date:** 1/24/2024

All offers are contingent upon successful completion of pre-employment background check and drug screen. EOE.
